Attendance: Bill Smith, Angela Jacobson, Don Horton, Mel Oberst, Matt Shinderman, Joy Cooper (student intern), Hilary B (media)

- Discussed the possibility of hiring a special project manager to do permitting for Mirror Pond, to be paid by Bend Parks and Rec District
  - Went over the potential scope of work for the manager
- Continued discussion of the financial commitment by City and Bend Parks and Rec District
  - If a project manager were hired, the other funds previously committed could be expended on professional services
- The District could assist in the public process to keep cost down
- Matt has access to a University of Oregon architectural graduate student who could help with the planning process and design work
- Matt spoke with Bend 2030 Management Board about collaborating with OSU Cascades to run public outreach process, will pursue this topic further
- Continued the discussion on a special district option
